## EDUCATION

Vidyasthali Institute of Technology Science and Management

2017 – 2021

B.Sc - Bachelor of Science

Jaipur, Rajasthan

## EXPERIENCE

Groot Academy and Software it Training in Jaipur

November 2023 - May 2024

Groot Academy - MERN Stack Development Certification

Jaipur, Rajasthan

- Hands-on experience with MongoDB, Express.js, React.js, and Node.js
- Built real-world full-stack projects and RESTful APIs
- Gained expertise in authentication, state management, and deployment

Intern at OMWAKO

July 2024 - December 2024

Role - Frontend Developer

Jaipur, Rajasthan

- Developed and optimized responsive web applications using **React.js, HTML, CSS, and JavaScript**.
- Collaborated with backend developers to integrate **RESTful APIs** and improve UI/UX.
- Implemented modern **frontend design principles**, including media queries and flexbox for mobile responsiveness.
- Gained experience in version control (Git/GitHub) and agile methodologies.
- Worked on enhancing website **performance and accessibility** to improve user experience.

## PROJECTS

E-commerce PlateForm

June 2024

- Designed and developed a fully responsive **e-commerce website** using **React.js**.
- Implemented **modern UI/UX** principles to enhance user experience and engagement.
- Used **React Hooks** and **state management** for dynamic and interactive components.
- Optimized website performance with **lazy loading** and **code splitting**.
- Created reusable **React components** to ensure scalability and maintainability.
- Integrated **responsive design techniques (Flexbox, CSS Grid, Media Queries)** for a seamless experience across all devices.

Facebook Clone (Frontend Development)

July 2024

- Developed a **responsive and interactive** Facebook clone using **React.js**.
- Designed and implemented features like **news feed, user profile, likes, comments, and post creation**.
- Used **React Hooks and Context API** for state management.
- Applied **CSS Flexbox and Grid** for a visually appealing and responsive layout.
- Focused on **UI/UX best practices** to ensure a seamless user experience.

Food Delivery Application (MERN Stack)

September 2024

- Developed a full-stack **food delivery application** using **MongoDB, Express.js, React.js, and Node.js**.
- Implemented **user authentication** using JWT and bcrypt for secure login.
- Designed an **interactive UI** with React.js and Tailwind CSS for a seamless user experience.
- Optimized database queries for **fast performance** and efficient data handling.

Blog Application (MERN Stack)

December 2024

- Designed and developed a **full-stack blog application** using **MongoDB, Express.js, React.js, and Node.js**.
- Implemented **user authentication** using JWT and bcrypt for secure login.
- Designed an **interactive UI** with React.js and Tailwind CSS for a seamless user experience.
- Created a **rich text editor** for blog content with dynamic formatting options.
- Integrated **CRUD functionality** for users to create, update, and delete blog posts.
- Optimized database queries for **fast performance** and efficient data handling.

## YouTube Clone |

January 2024

- Built an interactive UI using **React.js, React Router, and Material-UI** for a seamless user experience.
- Integrated **RapidAPI** to fetch and display real-time video content.
- Implemented **dynamic search functionality** to allow users to discover videos efficiently.
- Optimized application performance with **lazy loading and efficient API requests**.
- Ensured a **esponsive design** with CSS Flexbox and Media Queries for a mobile-friendly experience.
